*Time for a paradigm shift in the use of IT
in hospital / community shared-care medicine*

Welcome to the “Electronic Encyclopaedia of Perinatal Data (EEPD)”

This website resource has now become so big that,
for those new to this pioneering IT adventure,
an full introduction has become essential.

Note: Each of the following pages has a hyperlink for more detailed information

Important Disclaimer

*Although his colleagues have provided valuable assistance and sometimes vocal comments,
the views expressed in all these EEPD introductory pages
are entirely the personal responsibility of Rupert Fawdry, FRCS, FRCOG,
the original creator of the EEPD.*
