

Before explaining “What the EEPD is?”, seeing

## A. “What the EEPD is NOT”

will help to clarify “What” - and “Why” - it is.

This is because the EEPD involves such a slow, long-term, climb of such a truly massive mountain, that it is essential for as many colleagues as possible to understand why such an immense internet-based interactive approach is in the long run unavoidable; and why the EEPD, or at least something similar, is almost certainly the only way we will make long-term progress towards cost-effective Perinatal IT.

So please [click here](#) to take a quick look at past and current alternatives.

If, however, you are impatient to know “What the EEPD is”, rather than “What it is Not”, then click bottom right and go on to the next page

It will be still worth coming back here again later
